Meeting called at 7:40

Minutes from the October 3, Randy motioned to approve seconded by Anita. Minutes accepted

Current Business:

Upcoming Public Meeting: Nov 15: Meeting at Hawk Mountain is prepared with the mailing distributed to the community. Tom will distribute to his community email list, and it will be posted on social media account. Jeff will introduce the EAC at the event.

Volunteer event Insurance: There is coverage for group volunteer events and just need to let the supervisors know about upcoming events.

Burn Ordinance: Jeff will ask the supervisors about any progress on potential for burn ordinance during high-risk periods.

TNC Mailing: Tom will work on reaching out to the TNC about funding a mailing to local forest landowners.

Upcoming potential Talks

Ticks East Stroudsburg is starting a Lyme's disease tick study,

Geology: Dr. Simpson professor of geology at Kutztown.

Historical Society for potential talks on hex signs, land cover. Get a program scheduled for Jan/Feb.

Act 537: Nothing new to report.

New Business:

No new business.

Meeting Adjourned 7:59.
