INDEPENDENT AUDITOR'S REPORT

Board of Supervisors
Albany Township
Berks County, PA

Report on the Audit of the Financial Statements

We have audited the Municipal Annual Audit and Financial Report of Albany Township, Berks County, Pennsylvania, as of and for the year ended December 31, 2025.

Opinions

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Albany Township's General Fund, Liquid Fuels Fund, and Trust and Agency Fund as of December 31, 2025, and the revenues that were received and expenditures that were paid by these funds for the year then ended, in accordance with the basis of accounting practices prescribed or permitted by Pennsylvania Department of Community and Economic Development.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the Municipal Annual Audit and Financial Report referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of Albany Township, Berks County, Pennsylvania as of December 31, 2025, or the changes in financial position for the year then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards (GAS), issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Albany Township and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for all of our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in the Management's Responsibility for the Financial Statements section of this report, the Municipal Annual Audit and Financial Report are prepared by Albany Township, Berks County, Pennsylvania, in accordance with the basis of accounting practices prescribed or permitted by Pennsylvania Department of Community and Economic Development to demonstrate compliance with the Pennsylvania Department of Community and Economic Development regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the Municipal Annual Audit and Financial Report of the variances between this regulatory basis of accounting and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the Municipal Annual Audit and Financial Report in accordance with accounting practices prescribed or permitted by Pennsylvania Department of Community and Economic Development to demonstrate compliance with Pennsylvania Department of Community and Economic Development regulatory basis of accounting and budget laws. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Municipal Annual Audit and Financial Report are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Albany Township's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Albany Township's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.
